**Sub: Changeover of ISS in the scope of Recognition of your lab under BIS LRS 2018.**

Dear Sir,

This has reference to your application for Changeover of ISS in the Scope of your lab under BIS Laboratory Recognition Scheme 2018 (LRS 2018) and further correspondence made in this regard. In this connection, it is informed that the Competent Authority has decided to Changeover the following ISS with details as per Annex-1 in the existing scope of your laboratory **w.e.f. 26.09.2019**:

**a.) IS 60898 (Part 1):2002 to IS 60898 (Part 1):2015.**

As per the implementation guidelines for BIS LRS 2018, a time period up to 13.02.2019 (further extended up to 13.02.2020) is given for complying with clause 4.1.1 of LRS 2018 (requirement of covering all tests in Lab's scope of IS/ISO/IEC 17025 accreditation) and clause 4.1.3 of LRS 2018 (to complete the test facilities wherever sub-contracting has previously been permitted by BIS). After the permitted time period, affected Indian Standards (ISs) will be deleted from scope of recognition granted to your lab. Accordingly, you are requested to confirm compliance to clause 4.1.1 & clause 4.1.3 of LRS 2018 before 13.02.2020.

The scope of your laboratory now stands revised as per Annexure-1. The other terms and conditions of BIS LRS 2018 remains the same.

Thanking you.

Yours faithfully,

(Mahender Datt)
