

RESEARCH SCHEME on POWER (RSOP)
PROFORMA FOR THE PURCHASE OF THE EQUIPMENT

Details of equipment required for the project _____
_____ assigned to _____
Research Station under Research Scheme on Power for the year _____

1. Details of the equipment :
2. Date of commencement (actual) :
3. Whether similar equipment are already available with the Organization / Institute. If so how many :
4. The detailed Justifications / reasons for the purchase of the Equipment now proposed :
5. How exactly the equipment now proposed is to be used in project under study :
6. Whether it is indigenous equipment or to be imported :
7. Cost of the Equipment (F.O.R destination price) :
8. Approximate period of delivery :
9. Present status in ordering the equipment :
10. Amount of advance payment to be made if any and at what stage :
11. Approximate time required for ordering the equipment :
12. If the studies could be carried out with the equipment already available and the equipment now indented can expedite the studies, a short note on savings of manpower / money may be furnished. :
13. Year for which the equipment purchased / to be purchased :
14. Remarks :

Principal Project Investigator

Note: The above details are to be furnished for all the equipments whose cost is more than Rs 50,000 /- per piece for total cost of various equipments (even if comes to equal or more than any one of them is costing less than Rs.50,000/-)
