

Webinar on Role of Switchgear and Controlgear in the Evolving Grid: Highlights and Challenges

2nd March, 2023

**(10:00AM-01:00PM &
02:00PM-05:00PM)**

**Organized by
High Power Laboratory, CPRI -
Bangalore, India.**

Last Date of Registration: 23rd February 2023

TOPICS COVERED:

- Latest trends in Circuit breaker
- Vacuum interrupters Technology
- Circuit breakers with gas and gas mixtures
- Transient Recovery Voltage requirements for Circuit breaker
- Switching surges and remedial measures
- Condition monitoring and diagnostics
- Smart circuit breaker and SCADA
- Cyber security in switchgear and control
- Latest Updates In standards and test methods

REGISTRATION FEE

The participation fee for the webinar is

| | |
|-------------------------------------|-----------------------------------|
| State Power Utilities/Gov. agencies | Rs. 1,500/- + GST per Participant |
|-------------------------------------|-----------------------------------|

| | |
|------------------------------|-----------------------------------|
| Private sector organizations | Rs. 2,000/- + GST per Participant |
