Engineer-in-Charge

Specifications, terms and conditions:

1. Unless otherwise specified, all items of work shall be executed as per CPWD specification 2019.
2. The scope of the work consists of providing and fixing vertical blinds for windows at the second floor of office building.
3. Period allowed for completion of work shall be 30 days which shall be reckoned from 7th day of the date of issue of work order or the actual date of handing over of work whichever is later.
4. The time allowed for completion of work is 30 days & shall be strictly observed by the contractor and shall be deemed to be the essence of the contract / work order. The contractor shall pay as compensation an amount equal to 0.25% of the estimated cost put to quotation or such smaller amounts to CPRI for every week the work remains unfinished after the proper dates, provided that the maximum amount of compensation under the provision of this clause does not exceed 2.5% of estimated amount put to quotation of Rs. 1,00,300/-. The actual quantum of compensation payable by the contractor to CPRI for delayed performance shall be decided by the Chairman, High Power Committee CPRI, Bengaluru.

But if the work(s) is(are) delayed by:

- Force majeure, or
- Abnormally bad weather, or
- Serious loss or damage by fire, or
- Civil commotion, local commotion of workmen, strike or lockout, affecting any of the trades employed on the work, or
- Delay on the part of other contractors engaged by Engineer-in-Charge in executing work not forming part of the Work Order, or
- Any other cause like above, which in the opinion of Engineer-in-Charge is beyond the contractor's control

then upon the happening of any such event causing delay, the contractor shall immediately give notice in writing to Engineer - in- Charge but shall nevertheless use constantly his best endeavour to make good the delay. He shall be granted extension of time in such case by Engineer-in-charge but shall have no claim of damages for extension of time granted, for any components of idling of work force and machineries, as it is expected that the agency should act immediately and accordingly to mitigate any such idling. The rates quoted shall not be changed under any circumstances, in such conditions.

5. The contractor must strictly follow the provisions of contract Labour (Regulation & Abolition) Act, 1970 of Government of India and „The Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996.
6. The contractor shall comply with the provisions of the Payment of Wages Act 1936, Minimum Wages Act, 1948, Employees Liability Act, 1938, Workmen's Compensation Act, 1923, Industrial Dispute Act, 1947, Maternity Benefits Act, 1961, or the modifications thereof or any other laws relating thereto and the rules made there under from time to time.
7. The contractor shall indemnify CPRI against payments to be made under and for the observance of the laws aforesaid and the Contractor's Labour regulations, without prejudice to his right to claim indemnity from his sub-contractors.

8. Whatever is the minimum wage for the time being, or if the wage payable is higher than such wage, such wage shall be paid by the contractor to the workmen, directly without the intervention of Jamadar and that Jamadar shall not be entitled to deduct or recover any amount from the minimum wage payable to the workmen as and by way of commission or otherwise.

9. The contractor shall ensure that no amount by way of commission or otherwise is deducted or recovered by the Jamadar from the wage of workmen.

10. The contractor shall follow the provision of CPWD safety code contained in CPWD General Conditions of Contract for Maintenance Works -2020 incorporating correction slips 1& 2.required for this work.

11. The Engineer-In-Charge may without prejudice to his right against the contractor in respect of any delay or inferior workmanship or otherwise or to any claim for damages in respect of any breaches of the contract/work order and without prejudice to any rights or remedies under any of the provisions of the work order/contract or other wise and whether the date of completion has or has not elapsed by notice in writing absolutely determine or rescind the contract/work order.

12. Income tax at the prescribed rate shall be deducted from the contractor, at source, from the bills payable to him.

13. The contractor must arrange all the tools and plant, required for execution of the work at his own cost.

14. Electricity required for the above said work shall be provided by CPRI free of cost. The contractor shall make his own arrangement for tapping it from the specified source at his own cost.

15. The rate quoted for the item of work shall be inclusive of all taxes and levies, but excluding GST, payable under respective statute. However, if any further tax or levy or cess is imposed by statute, after the last stipulated date for receipt of quotations, including extensions , if any, and the contractor thereupon necessarily and properly pays such taxes/levies/cess, the contractor shall be reimbursed the additional tax amount so paid, provided such payments , if any ,is not, in the opinion of The Chairman, High Power Committee (HPC) (whose decision shall be final and binding on the contractor) attributable to delay in execution of work, within the control of the contractor.

(a) The onus of complying with the statutory obligations of making payment of GST to the GST department lies with the contractor. The contractor shall make mention of his GST No. and CPRI's GST No. in the invoice to be raised after completion of work.

16. Quotationers are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their quotations as to the condition of the buildings, the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to the risks, contingencies and other circumstances which may influence or affect their quotation. A quotationer shall be deemed to have full knowledge of the site, whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed. The quotationer shall be responsible for arranging and maintaining at his own cost all materials, tools and plants, electricity access, facilities for workers and all other services required for executing the work, unless otherwise specifically provided for in the quotation document.

17. The quotationers shall submit a Bid Securing Declaration Form as per enclosed format in lieu of Earnest Money Deposit. The quotation for the work / supply shall have validity for 60 days from the date of opening of quotations.

18. The decision of the Engineer-In-Charge in all the matters arising out of the operation of the work order shall be final and binding.

19. Security deposit (SD) of 3% of gross value of the bill shall be recovered from the bill/s payable to the contractor. The same shall be refunded to the contractor after successful completion of the work and after making good of any defects in the work noticed during the maintenance liability period of six month from the actual date of completion of the work, among other conditions.

20. Settlement of disputes and arbitration: In case of arising of any dispute on account of operation of this work order, based on this quotation the same shall be resolved in accordance with the provisions of clause 25 of CPWD General Conditions of Contract Form 7/8 of the edition CPWD GCC 2020 incorporating correction slips 1& 2.

21. Deviation limit applicable: 50% applicable for individual items of work. Any item of work executed beyond the stipulated deviation limit shall be paid based on the local market rate in accordance with provision of clause 12 of CPWD General Condition of contract -2020 incorporating correction slips 1& 2. The Engineer-in-Charge shall have powers to alter, change and reduce the scope of the work, based on the situation at site. The agency who bids and is awarded the work shall have no claim whatsoever, due to such reduction in scope of the work.

22. Whenever the contractor brings any material into CPRI campus for use in execution of the work, he shall submit the photocopies of the corresponding bills, /vouchers / delivery challans.

23. List of approved brands/ makes

- Vertical blinds: Mac / Vista or equivalent as approved by the Engineer-in-charge.
