

Post Graduate Project opportunity at CPRI

CPRI provides opportunity to Post Graduate Students (M.E / M.Tech) to carryout Project work in CPRI as part of their Masters course at CPRI, Bangalore and its other units at Bhopal, Nagpur, Noida, Hyderabad, Nasik, Kolkata and Guwahati. The aim of the scheme for Post Graduate project work in CPRI is to facilitate Post Graduates students (M.E / M.Tech) to work in advanced areas of Power Engineering. Project guidance and support to selected students will be provided by Officers of CPRI in close coordination with the guide from the candidate's Institute. This programme is designed to provide students with **practical exposure to real-world research problems** and hands-on experience in advanced laboratory and field environments.

Programme Features

- Open to **Post Graduate students (M.Tech/M.E./M.Sc. or equivalent)** from recognized institutions in India
- Projects are offered **throughout the year (rolling basis)** as per the Institute norms
- Students will work under the guidance of **CPRI scientists/engineers**
- Duration of project: **typically 4 to 6 months** (extendable based on requirement and approval)
- Selection will be based on **academic background, area of interest, and availability of projects**

Application Process

1. Interested students shall:
 - Identify their area of interest and the suitable lab at CPRI
 - Apply through email/ hard copy as per the prescribed application form
2. The application shall include:
 - Duly filled application form
 - Recommendation/forwarding letter from the parent institution
 - Academic transcripts
 - Brief statement of purpose
 - Name of the internal guide
3. Applications should be submitted to the HoD of the relevant division(s) for consideration.

Selection Process

- Screening and selection will be carried out by the **concerned division**
- Candidates may be required to appear for an **interview (online/offline)**
- Final approval will be obtained from the **competent authority**

General Conditions

- The programme is **purely academic in nature**
- **No stipend, honorarium, or financial support** shall be provided by CPRI
- Students shall make their **own arrangements for accommodation and logistics**
- Access to laboratory and institutional facilities shall be governed by **CPRI rules**
- Students shall comply with **IPR, confidentiality, and safety guidelines**

Completion

- On successful completion, students shall:
 - Submit a project report certified by the supervisor
 - Receive a **Project Completion Certificate** from CPRI
