INVITATION

We are pleased to invite you for the inauguration of the release of Beta version of **SMITHA: Smart Meter Integrated Testing and Higher Analysis: An Application Software Developed as a make-in-India product under the Atmanirbhar Bharat Initiative of the Government of India. SMITHA is envisaged to be taken forward in a phased manner:**

Phase 1: Bharat Smart Meter Protocol Analysis (BSMPA) envisaged for verification and testing of Conventional & Smart Energy Meters:

An Atmanirbhar Next-Gen Meter Testing Tool

A first step towards Atmanirbhar Bharat Initiative of Gol for metering protocol testing of Smart Meters in India

SMITHA envisaged for Testing & Verification of Static and Smart Energy Meters, performs the Conformance tests and Parameter verification tests based on IEC 62056 & IS 15959 series: Data Exchange for Electricity Meter Reading, Tariff & Load Control – Companion Specification

Beta version release of 'Smitha v 1.0' on Wednesday, 17th May 2023 in virtual mode

Inauguration by: Shri.B.A.Sawale, Director General, CPRI, Bengaluru

Virtual mode

Inauguration by

Shri.B.A.Sawale

Director General, CPRI, Bengaluru

Organized By

Central Power Research Institute (CPRI)

Bengaluru - 560 080

&

Centre for Development of Advanced Computing (C-DAC)

Thiruvananthapuram - 695 033

Programme Scheduled @ 3:30PM on 17/05/2023

- **Welcome Address**
- **Highlights of the Product**
- **Inaugural Address**
- **Thought sharing by the participants**
- **Vote of Thanks**
