Subject Re-assessment of BIS 2005 - Extension of Validity of Certificate

Dear Mr. Ruvo,

As you know, validity of Certificate of BIS and its associated CBTLS namely CPRI, Bhopal and CPRI, Bangalore was extended upto 1 July 2005 in response to our request vide e-mail dated 16 Feb 2005.

Subsequently, as planned, the Re-assessment of BIS and its associated CBTLS namely CPRI, Bhopal and CPRI, Bangalore took place on 1-5 August 2005. The Audit team, as we understand, found the re-assessment overall satisfactory except for a few minor observations which have been communicated in the form of non conformities to BIS as well as CBTLS.

We have initiated the process for closure of these NCs and we expect to close the same at the earliest.

Meanwhile, we request you to extend the validity of certificate of BIS and its associated CBTLS namely CPRI, Bhopal and CPRI, Bangalore further for a few more months, till a formal certificate is issued to us.

Kindly consider the request and inform us accordingly.

With regards,
