# WEBINAR ON SMART EV CHARGING INFRASTRUCTURE

**SPEAKER:**  
JEYKISHAN KUMAR K

**DATE:**  
26 SEPTEMBER, 2025

**TIME:**  
10:00AM - 01:00PM

**CLICK FOR  
REGISTRATION**

## WEBINAR AGENDA:

- |   |   |
|---|---|
| • Recent Trends in EV Charging Infrastructure | : A way forward through indigenous EV Chargers    |
| • Testing of EV Chargers at CPRI- A Glance    | : High-power, Safe charging, AC/DC Charging       |
| • Challenges in EV Charging                   | : Efficient, low-cost, safe, and quality charging |
| • Smart EV Charging Infrastructure            | : IoT-based, Cybersecure, and Interoperable       |
| • Research Gaps in EV Infrastructures         | : Industrial needs and academic research          |
