

Compulsory Product Certification of Distribution Transformers

CPRI has reduced the test charges by 60% on the test tariff for Testing of out door type oil immersed Distribution Transformers upto and including 2500kVA, 33kV class(3 phase) and upto 25kVA (single phase) for BIS licensing as per IS 1180(Part-1:2014). This order has come into effect from 25th of June 2015.

In addition to the above, 10% SSI discount which is already prevailing as per current CPRI tariff is also applicable for the above scope.
